

General Features and Benefits

- Solid aesthetic modern appearance with 50mm rounded sash
- Can be double glazed up to 18mm or single glazed up to 10.38mm
- Frame size: 55mm
- Thermally Improved framing system - WERS tested and custom rated in first rate house energy rating software
- Engineered and tested to Australian Standard AS2047 and AS1170 for structural performance and weather resistance
- Glazed in accordance with Australian Standard AS1288
- Integrated continuous hook hinge mechanism hinging sash
- Commercial grade sashes mechanically joined then glazed, Insuring tight mitres and the ability to re-glaze the sash in the window. (this is unlike most awning window sashes which need to be taken out of the window and taken apart to re-glaze)
- Integrated fly screen receiver with optional internally fitted fly screens easily removed and replaced for cleaning
- Enclosed fixed lite sill, ie: no dirt or fly catcher
- Solid tubular transoms and mullions
- One piece continuous jambs
- Concealed fixings, no ugly external rivets or screw fixings are visible
